

QUALITY POLICY STATEMENT

BAUER Foundations Australia Pty. Ltd. management and all employees recognize the importance of constantly maintaining a commitment to the quality of our services and products and the achievement of our stated quality objectives.

Consistent with this **BAUER Foundations Australia Pty. Ltd.** shall:

- Maintain a Quality Management System (QMS) to comply with the AS/NZS ISO 9001:2015 standard
- Continue to use ISO 9001 System in conjunction with our ISO 14001 System as part of our Integrated Management System (IMS)
- Periodically review the effectiveness of the Quality Management System to make sure that stated quality objectives are achieved in line with applicable Technical Standards, Codes and Regulations required by our clients
- Ensure that the Quality Policy is regularly communicated to our employees and other stakeholders so they understand the how and why quality objectives shall be achieved
- Strive to obtain the highest quality of service for customer satisfaction, consistent with professional standards and ethical behaviour as defined by BAUER Group standards, professional bodies associated within and outside the Piling and Construction Industry
- Continually strive to improve the effectiveness of our IMS to meet our quality objectives and targets
- To achieve and maintain a reputation for quality which will then reinforce with employees and clients alike that the company works within the quality guidelines set out by the standard

BAUER Foundations Australia Pty. Ltd. is committed to a sustainable business operation and continuing to strive to improve our competitive position by providing the highest quality service through creative solutions to satisfy the requirements and needs of our clients.
